

Default Question Block

Welcome. Feedback to the following questions will help me understand if you are having any problems navigating or accessing the course materials and where changes can be made to the rest of the course. These questions focus on course structure and course design. Your input is highly valued and will help me make timely modifications that will improve your learning experience. Your feedback is completely anonymous and will have no effect on your grade.

Q2. Concerning **course layout**, please rate your satisfaction. Course layout refers to the ease of navigating the course (finding course materials, knowing what to do next, where to find support resources, etc.).
